Re: Buy American Act and American Recovery & Reinvestment Act

In the subsequent pages of this letter is a chart that lists the Elkay residential faucet product families and models that comply with the Buy American Act (BAA) and/or the American Recovery and Reinvestment Act (ARRA).

Should you have specific questions regarding compliance, please feel free to contact me directly at vicki.sapinski@elkay.com

For additional information on the Buy American Act, please visit <https://www.acquisition.gov/far/html/Subpart%2025.1.html> and for American Recovery and Reinvestment Act, www.recovery.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "V. Sapinski", with a long horizontal flourish extending to the right.
