**Re:** Buy American Act Compliance

Following is a list of Elkay water fountain, chiller and cooler product families that are proudly assembled in the U.S.A. As a result, all of these product families comply with the Buy American Act and the American Recovery and Reinvestment Act except where noted. The identified product families literally represent hundreds of individual models that will cover virtually every application for various commercial projects.

As long as the product begins with the above family designation, then all of the fountains, chillers and coolers in that category comply. We are still in process of confirming the remaining product families, but are confident that the vast majority of all the models will comply. Should you have specific questions regarding compliance, please feel free to contact me directly at [franco.savoni@elkay.com](mailto:franco.savoni@elkay.com).
