Elkay In Healthcare

Product Selection Guide

Why Elkay?

- 1 One quality source** for sinks, faucets, water coolers and drinking fountains
- 2 Adult & Child ADA Compliant Products** for applications in children's hospitals and pediatrician's offices, as well as in facilities that serve the general public
- 3 Products for both new and replacement applications**, in a variety of styles.
- 4 A combination of form and function**, for products that look as well as they perform
- 5 "One Call" Technical Service** to help make installations or repairs as easy as possible
- 6 A rich tradition** of innovation, manufacturing excellence and outstanding service since 1920
- 7 Manufactured in the USA** with domestic and imported parts

Quality. Performance. Safety.

When selecting plumbing products for healthcare facilities, there are many things to consider. That's why you need to consider Elkay as your one source for the sinks, faucets, water coolers and drinking fountains in your facility. Elkay...discover the professional's choice!

Elkay Stainless Steel Sinks

- A broad offering of stainless steel sinks for a wide variety of applications
- Select from gauges and finishes all providing long-lasting performance and durability
- Almost 90 years of experience at forming, welding, trimming and polishing

Elkay Faucets

- Ceramic disk cartridge technology provides long-lasting superior performance
- Interchangeable parts make it easy to create the ideal faucet for any application
- Solid brass construction with chrome finish
- California AB1953 compliant

Elkay Water Coolers & Drinking Fountains

- A wide array of ADA compliant coolers and fountains all certified to NSF/ANSI 61
- Vandal-resistant models for both indoor and outdoor applications
- Styles, features and options ideal for today's healthcare facilities and medical offices

sinks

Elkay uses only the highest quality 300 Series stainless steel in various gauges, to help ensure long-lasting performance and durability in scrub-up areas, operating rooms and lavatories, as well as in cafeterias and service areas. Elkay sinks will not crack, chip or discolor, offer superior cleanability and are easy to sanitize, making them the ideal choice for healthcare applications.
