Manor Collection

A warm, classic appeal.

Details give the Manor Collection a traditionally classic character. Every carefully-crafted cabinet is a work of art — inspired by well-loved pieces of the past. It is a welcomed style that is perfectly paired with even the most modern bathroom amenities.

- ▶ The Manor Collection features furniture-style arch details that unify the series into a perfectly designed ensemble.

Framed mirror and 54" wide sink base

Manhattan Collection

Clean and Cosmopolitan.

The Manhattan Collection, with minimal detailing, offers great design flexibility. Clean lines give you a transitional cosmopolitan look that makes a bold statement. Warm wood tones and the smooth look of paint bring softness and beauty to today's bathroom.

- ▶ The Manhattan Collection features tapered leg vanities with uniquely styled upper storage and open shelving below.

Charleston Collection

Inspired Simplicity and Style.

Southern charm radiates throughout in a bathroom designed with the Charleston Collection. It is the perfect combination of simplicity and style for a bath retreat that is cozy, comfortable and inviting.

- The Charleston Collection combines the unique look of handcrafted trim and corner detailing, staggered depths and stylized feet for a furniture feel that is an American classic.

YORKTOWNE™

CABINETRY

A century of craftsmanship. A lifetime of quality.

With more than a century of woodworking experience, we know that being in business for 100 years is not what matters most; it's about how we do business. At Yorktowne, our commitment to craftsmanship begins with our designers creating better solutions for the ever-changing American home, and continues with our woodworkers who bring the innovations to life. Our deliberate choice to use local forests and manufacture cabinetry in the United States shows our commitment to sustainability and country, building a future for generations of Yorktowne employees, customers and consumers.

ELKAY®

Since 1920, a leader in high quality sinks, faucets, water coolers, bottle filling stations, drinking fountains and cabinets.
